

The background is a gradient of blue shades, from a darker teal at the top to a lighter cyan at the bottom. It features several abstract, overlapping shapes: a large, rounded, light blue shape on the right side, and a smaller, similar shape below it. There are also thin, light blue lines and a small, jagged, light blue shape in the bottom left corner.

# FNS 2021 POSTER SESSION

To join, click on this link: [http://s.ic.fo/FNS2021\\_PosterSession](http://s.ic.fo/FNS2021_PosterSession)

**Please enter your name** (as it would appear on a name tag), so others can identify you and select your devices such as your camera and microphone. Select an avatar.

**Click on “Join the Gathering”.**

A window will open with the message “Welcome to Gather”. It has a link to the tutorial, which you can skip or watch, if you’d like.

On the right side of the screen, a list of participants will appear. You can **SEARCH** the participants you’d like to interact with. A direction line will show up, just follow that to reach the desired participant.

The **CHAT** is another way to interact in Gather town. Click on the name of the participant to chat directly. You have the option to chat with the people “Nearby” or to share it with “Everyone”.

# FNS 2021 POSTER SESSION

## Common Video or Audio Issues:

“Awaiting audio and video permissions...” or can't unmute audio/video We usually get stuck on this dialogue when you dismiss or block the mic/camera permission that we pop-up. In order to unblock the permission from our app, find the pop-up dialog on the address bar.

After re-enabling the permission, refresh the page.

## Can't unmute video on Windows:

The biggest culprit of this error is another app capturing your camera, and preventing other apps from accessing it. This happens especially often if you are using other video calling tools like Zoom. Close the other app to fix this.
